## **THE LAW AT YOUR SERVICE**

### **ABOUT ME**

#### **I UNDERSTAND THE MEANING OF “LEGAL SERVICE.”**

At some point, everyone experiences legal problems. Your lawyer shouldn't be one of them.

Which is why I return every call as quickly as I can. And why I'm willing to take every case to court, if that's what it takes for the best possible outcome. Because I understand that Legal Service means putting you first.

### **CRIMINAL DEFENSE**

#### **I KNOW WHAT YOU'RE UP AGAINST.**

I'm not afraid of the courtroom. I served as a police officer for nearly 15 years. I handled, and testified in, thousands of cases. I understand police procedure, and I know what kind of defense strategies work. I also know when a prosecutor wants a case to go away. All from first-hand experience.

Here's something else I know from experience: Successful criminal defense starts with a lawyer who's willing to do the work needed to represent your rights. I do the work. What's more, I'll be honest with you. Every step of the way.

## **DIVORCE & DOMESTIC LAW**

### **I'VE BEEN THERE MYSELF.**

People say divorce is messy. It can also be scary. I understand what's at stake. Which is why I'll be there to take your calls and answer your questions. Because I understand that, when you're going through a divorce, nothing else matters.

## **DUI DEFENSE**

### **DO YOU KNOW YOUR RIGHTS? I DO.**

There are three critical steps to protecting your rights in a DUI case. I'll be with you through that process. Even if you stand to lose your license, there are steps you can take to postpone it — when it's critical to your circumstances.

## **PROBATE**

### **IT'S NOT JUST BUSINESS. IT'S PERSONAL.**

When a case is personal, as so many Probate issues are, people often lose perspective. Even attorneys.

I bring the kind of clear-minded perspective you need to represent your rights in any probate matter. That starts with listening to you, understanding your case, and understanding the law.

## **CIVIL CLAIMS**

### **EVERY CASE IS UNIQUE.**

- I understand: No case is routine when it's your case. Which is why I'll give your case the attention, and the respect, it deserves.
